## POLICE DEPARTMENT – OFFICE OF THE CHIEF

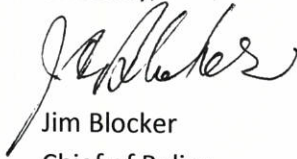

August 15, 2016

Dear Friends,

The Battle Creek Police Department is no longer partnering with Child Safety of America. We realized that we have a very supportive community and we would like to reach out to you directly. Therefore, you should not be receiving any more requests for funds from Child Safety of America on behalf of the Battle Creek Police Department.

To this end, the only requests for funds that you may receive will come directly from the Battle Creek Police Department, not from another organization on behalf of B.C.P.D. If there are any questions or concerns, please notify the Office of the Chief of Police by sending an email to [cvandongen@battlecreekmi.gov](mailto:cvandongen@battlecreekmi.gov) or by calling 966-3375.

Sincerely,

Jim Blocker  
Chief of Police
