 - Mental Health Crises
 - CIT
 - Violent Crime
 - Assaults, Robbery, Shootings
 - Fraud
 - Credit, Mail, Retail
 - CSC
 - Peace Officer
 - Animal Complaints
 - Many Others

In addition, self-initiated activity:
FOOT PATROLS and **TRAFFIC STOPS**

These are often directed by identified problems:

Hotspots, Repeat Calls/High Call Locations,
Crime Trends & Analysis (time of day/day of week),
Community Service Initiatives.

EXAMPLE:

Trends

Larceny of Mail / Fraud:

Targeting road-side mailboxes

Districts: A, J, K

Most recent two complaints were on ***** Rd on */**, and ***** RD on **/**

May be acting like mail carriers or newspaper delivery, going mailbox to mailbox. Time of day: *****

+Looking for checks and gift cards in outgoing mail

+Altering checks and cashing them at locations in Battle Creek

-Crime Prevention to notify local banking institutions

*****, ****, and BCPD have all taken numerous complaints. ***** County has also been dealing with this issue.

SUSPECT INFORMATION:

Many checks that have been cashed have been made out to a *****.

(There are multiple recent fraud & larceny complaints from all above agencies listed in RMS with this subject listed as the offender.)

1 warrant has been confirmed for that individual:

**** Complaint# **-*****

Please attempt to locate this subject. If you are able to locate and arrest, please notify the Fusion Center and Detective ***** for an interview.

See attached pages for warrant information and full suspect information packet.

EXAMPLE: Alerts

LOCATION: ***** DISTRICT **

-Threats: Ongoing threats involving the above address and *****. Most recent complaint 18-*****. *****'s behavior has again escalated beginning on *****. ***** * ***** ***** ** ***** ***** ** * ***** ***** ** * ***** ***** ** * ***** ***** ** * ***** ***** **. Threats through text and phone calls continue. A warrant request is being submitted. Extra foot patrols recommended: 20:00-04:00, anticipated continued and escalating complaints. **OFFICER SAFETY: guns have been mentioned in previous threats.**

EXAMPLE:

Repeat Calls for Service

*Location:***** ST (Apartments #** & #**) DISTRICT **

-Ongoing and escalating issues between neighbors. Most recent complaint on **/**/**** resulted in the arrest of one resident for *****. That individual (***** *****) is no longer in jail and has returned home. See 18-***** for details, many other calls for service in this location resulting in field contacts and long-forms.

*Location: ***** AVE DISTRICT **

-Noise / possible drug activity / S.O. Tip — Ongoing complaints, daylight hours. Calls indicate heavy traffic to and from house, utilizing ***** of residence. ***** * **** ***** ***** ***** * ** *****.

*Location: ***** AVE DISTRICT **

-Retail Frauds: high number of incidents reported **/**- **/** (count of ** separate long-forms for these dates), this is an approximately 40% spike from anticipated normal levels. At least 50% of these have already resulted in warrants or arrests since the incidents occurred (NICE, QUICK WORK!). Continuation of extra attention to this location, majority of these complaints between 17:00-21:00. Various offenders noted at this time. See 24hr board to assist in offender identification.

EXAMPLE: Hotspots

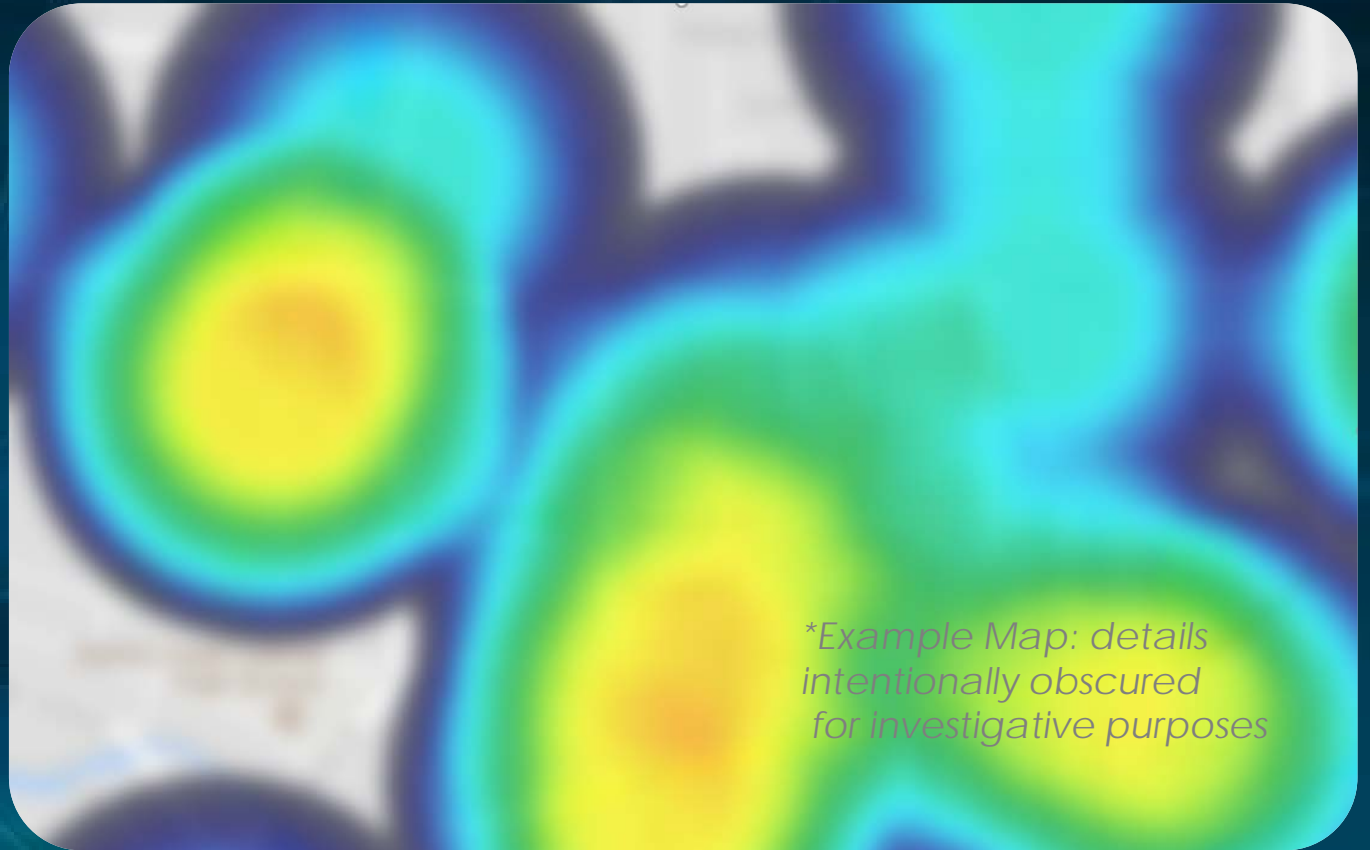

- Emergence of Property Crime Hotspots
- Two hotspots have been identified from complaints from the past week:

- 1) DISTRICT **

Bounded by the streets of: *****
and ***** (N&S), ***** and *****
(E&W) *see map for details*

- 2) DISTRICT **

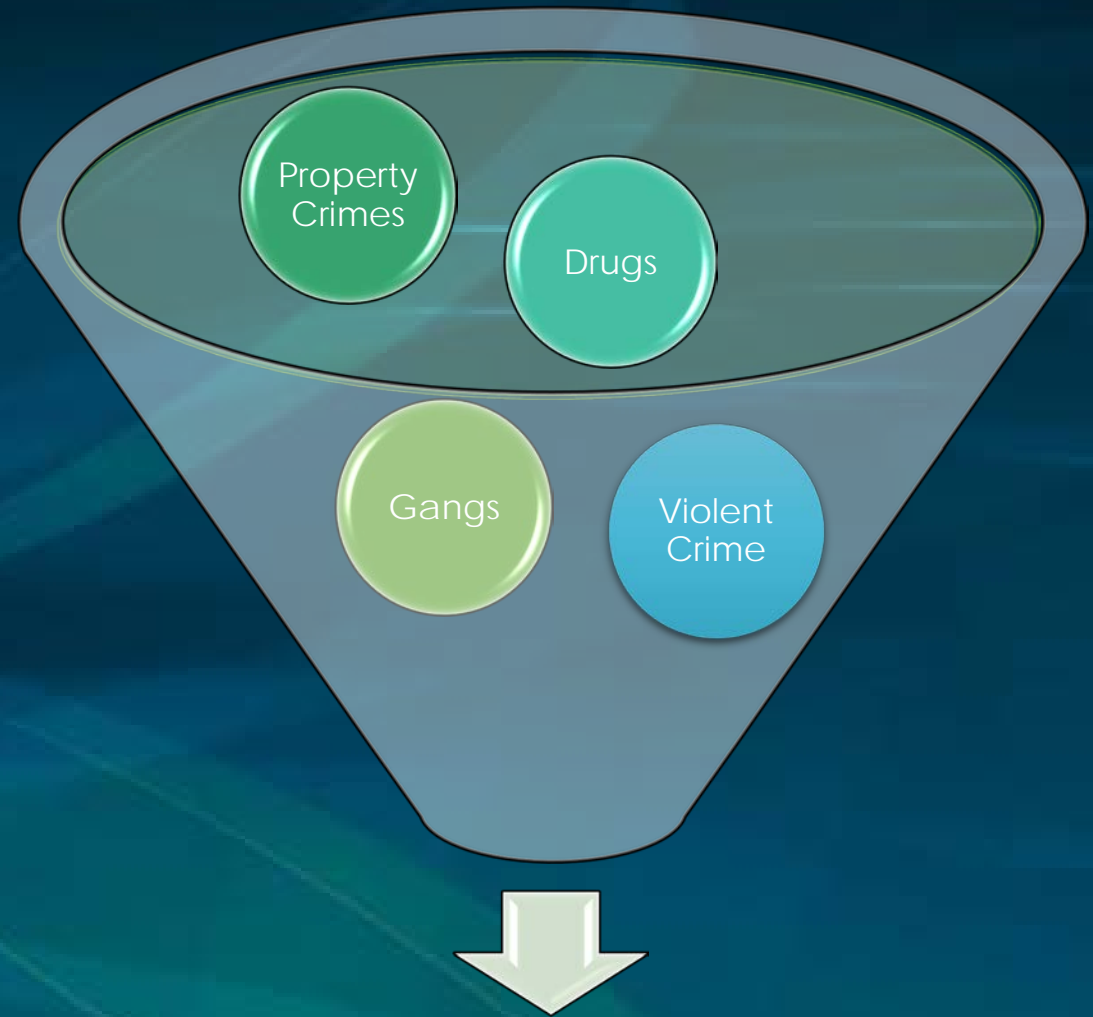

Bounded by the streets of: *****
and ***** (N&S), ***** and *****
(E&W) *see map for details*

- Larceny from vehicles & MDOP:
 - Targeting vehicles parked in driveways or on the street in these residential areas
 - *Vehicles are locked, windows broken to gain access.* *****
 - TOD: 01:00-05:00
 - DOW: Trend analysis indicates the next probably hit in hotspot 1 to be the morning of **/** and hotspot 2 the morning of **/** if trend continues in the same manner.
