

FORM BC W-3

CITY OF BATTLE CREEK

EMPLOYER'S ANNUAL RECONCILIATION OF BC-941 PAYMENTS

An employer is required to file with the City a reconciliation of BC-941 payments on or before the last day of February following each calendar year in which the employer withheld Battle Creek City Income Tax from employee compensation. If there is a balance due when the reconciliation is filed, this amount is payable at that time. If the employer made BC-941 payments in excess of the amount withheld, the City upon verification will refund the overpayment.

In addition, all W-2's must be submitted with the annual reconciliation (BC W-3). The W-2 (s) must show the following:

- Employee's Name
- Complete Address
- Social Security Number
- Total amount of compensation paid during the year (box 1)
- Locality name of city withholding (box 20)
- Total amount of compensation earned in Battle Creek (box 18, whether or not you actually withheld the tax for this amount)
- The amount of Battle Creek City Income Tax withheld (box 19)

Any variation of the standard W-2 form must be pre-approved by the City.

If an employer goes out of business or otherwise ceases to be an employer, the reconciliation form (BC W-3) and the information returns (W-2's) are to be filed with the City by the next BC-941 due date.
