

## Do you or someone you care about have a hearing impairment?

You may be eligible for FREE devices that alert individuals who are deaf or hard of hearing of smoke and carbon monoxide dangers.

Thanks to grant funding, the **Battle Creek Fire Department** can provide a limited quantity of programmable home alert systems and bed shaking devices, installed by the fire department at no cost.

These home alert systems use various methods to effectively alert individuals with hearing impairments to active smoke and carbon monoxide alarms.

HIGH-DECIBEL  
ALARMS

BED SHAKING  
DEVICES

BRIGHT FLASHING  
STROBES

SCROLLING  
LARGE TEXT  
DISPLAYS

To be eligible, **households must be located within the city limits of Battle Creek**. Quantities are limited, and devices will be made available on a first come, first served basis.

Smoke and carbon monoxide alarms may also be provided on an as-needed and as-available basis.

To inquire about availability and schedule installation, please contact the BCFD at 269-966-3519 ext. 2500, or scan the QR code to request an appointment.
