SPECIFICATIONS FOR ELECTRONIC MEDIA FILING OF W-2 FORMS

Acceptable standards for electronic media filing of Forms W-2:

1. The Social Security Administration, Specifications for Filing Forms W-2 Electronically (EFW2) For the current Tax Year, Publication Number 42-007 (number 1 below); or
2. The CityTax Proprietary Format (number 2 below).

How to Report Wages and Income Tax Withheld

1. Federal EFW2 Format (EFW2 the current Tax Year):

- a. Data is to be submitted via CD-ROM and the file must be: (Transmission of data via any other media is strictly prohibited unless an alternative method is approved by the City.)
 - 1) In a fixed length MS-DOS ASCII file format;
 - 2) Named "**W2REPORT**" with no file extension; and
 - 3) In the root directory.
- b. Records Specifications are found on Page 15 of the EFW2 for tax year. The specifications for electronic media filing of local Forms W-2 are the same as specifications published by the Social Security Administration except for fields in the RS record (State Wage Record) defined by the State/local agency.
- c. Transmitters of W-2 information for multiple employers can avoid creating a separate file for each employer by using the EFW2 for tax year specifications. Review Appendix C, example 10, page 82, to see how multiple employers can be combined into one file.
- d. Data rules can be found on page 15 of EFW2 for tax year.
- e. Required and Optional Records:
Include the RA, RE, RW, RO, RS, RT, RU and RF records when using the EFW2 format. The employer records should include only records pertaining to the City of Battle Creek income tax. The RS records should include only local tax information for Battle Creek. RA – Submitter Record (Required) This record should be the same as the record submitted to the Social Security Administration.

1. Federal EFW2 Format: (Continued)

RE – Employer Record (Required)

This record should be the same as the record submitted to the Social Security Administration.

RW – Employee Wage Record (Required)

This record should be the same as the record submitted to the Social Security Administration. Include RW records for all employees who worked and/or conducted business on behalf of their employer in Battle Creek.

RO – Employee Wage Record (Optional)

RS – State Record (Required)

a. This record should be the same as the record submitted to the Social Security Administration. Include RS records for:

- 1) All employees from whom tax was withheld for the City of Battle Creek;
- 2) All employees who are residents of Battle Creek regardless of where they worked for the employer; and
- 3) All employees who are nonresidents of Battle Creek and worked or conducted business on behalf of the employer in Battle Creek.

b. Specifications for RS record fields defined by State/local agency, The City of Battle Creek:

RS POSITION	FIELD NAME	LENGTH	FIELD SPECIFICATIONS
5-9	Taxing Entity Code	5	To be defined by State/Local agency. Left Justified and blank filled. Identify the City of Battle Creek using the abbreviation "MIBCK". Applies to income tax reporting.
298-307	Other state data Locality Name (Form W-2, box 20)	10	To be defined by State/Local agency. Left Justified and blank filled. Identify the City of Battle Creek using the abbreviation "MIBCK" followed by 5 blank characters. Applies to income tax reporting.
309-319	Local taxable wages (Form W-2, box 18)	11	To be defined by State/Local agency. Right justified and zero filled. Applies to income tax reporting.
320-330	Local income tax withheld (Form W-2, box 19)	11	To be defined by State/Local agency. Right justified and zero filled. Include only income tax withheld for the City of Battle Creek, Michigan. Applies to income tax reporting.

The code used by your accounting system to identify the particular city as the locality for which tax was withheld is meaningless to the city.

1. Federal EFW2 Format: (Continued)
