

# HYDRANT FLUSHING PROGRESS REPORT

## Emmett District, Week 3, Night 1

Blue icons represent hydrants that were flushed

**NOTE: Progress was delayed due to a water main break caused by a faulty fire hydrant.**

Sunday, September 20, 10:00 pm through Monday, September 21, 6:00 am.

Hydrants flushed in the Emmett pressure district on 10th day of flushing.
